Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

With reference to Government Notification No.L.4777/M1 35-32-17 dated 24th January 1933 authorising me to hear objections under Section 5(a) of the Land Acquisition Regulation in respect of the marginally noted properties required for forming a labour colony in Srirampuram,IX Division, Bangalore City, I have the honour to state that no objections have been received either from the notified khatedars or from any other person interested in the above properties

Survey Nos.57,58,59,60/2,62, Kethmarnahally village,Yesavantapur Hobli, Bangalore ~~&xkx~~ Taluk.

With regard to the cost of acquisition it was intimated in this office No.G.To.132 dated 27th October 1932 that the same as estimated by the Municipal Engineer is Rs.19,382/-(which works out to Rs.600 per acre) and that the Deputy Commissioner of the Bangalore District also is being consulted in the matter. Accordingly the valuation statement for Rs.19,382/- (which was sanctioned by the Council) was sent to him for opinion and the Deputy Commissioner stated that the rate of Rs.600/- per acre mentioned in the above valuation statement is very low in view of the fact (1) that the Mahazardars have estimated the above land at - Rs.2,000/- per acre, (2) that they state that the Municipality have sold building sites adjacent to the lands in question at Re.0-8-0 per square yard i.e. Rs.2420/- per acre. I do not agree with the Deputy Commissioner as the value of agricultural land cannot be calculated as building sites. Further he states that besides

besides this there was an offer from the authorities of the Mysore Spinning and Manufacturing Company Ltd., Bangalore, to purchase the above lands at Rs.1,000/- per acre to lay out a colony for the workmen. Further he added that there was formerly a proposal to acquire these lands for the above mills for the said purpose when the Deputy Commissioner inspected the lands personally in the year 1930 in order to furnish his opinion as to the ~~valuation~~ value of these lands as desired by the Government and that then these lands were finally estimated at Rs.950/- per acre. He also stated that as can be seen from the Amildar's report there are certain buildings etc. on the survey numbers proposed for acquisition which were not mentioned in the valuation statement for Rs.19,382/-. This was therefore referred to the Municipal Engineer for verification with the statement prepared by the Revenue Inspector and the former after taking into consideration all the above circumstances of the case and the recommendations of the Revenue authorities submitted a revised valuation statement for Rs.2,4576 -0-0 excluding statutory allowance at 15% and this was duly approved by the Council at their meeting held on 9-9-1933.

3) A copy of the Council resolution is herein enclosed for reference.

4) The cost of acquisition viz.Rs.24,576-0-0 may be met out of the loan of one lakh of rupees sanctioned by Government in their order No.L.6833/Ml.280-32-2 dated 20th April 1933 for the acquisition of lands for building sites.

5) The final declaration statements in duplicate in Kannada and English are herewith sent for favour of publication.

I request

6 I request that sanction of Government to the above acquisition may kindly be -- obtained and communicated to this office for further action.

I have the honour to be,
Sir,
Your most obedient servant,
T Ramachandra
Municipal Commissioner in charge
